

# FRIENDS OF ST. CECILIA'S HALL

## Membership particulars

We need to update our membership particulars to make sure details are correct, as on several occasions communications have been returned due to an incorrect address, and we are also proposing to change the subscription period in the revised constitution, to be considered at the AGM. Membership particulars are held only by the Society's office-bearers and are used only to communicate to members about Friends' activities. The information will not be provided to any other person or organisation.

Please complete the following and return it to: [chairman@stceciliastfriends.org.uk](mailto:chairman@stceciliastfriends.org.uk)

Where there is more than one member at the same address, only one form is required, but please give all names and any other details that are different.
